

CLUB PET INC COVID19 SAFETY PLAN (*thanks for reading!*)

- Clients will be assisted one at a time in the lobby.
- There will be the following signs posted on our doors to direct the flow
 - * "IN and OUT" designating what doors are to be used with entering and exiting.
 - * "If you see a client right inside these doors, please wait outside until a client leaves the building"
 - * "If you see a client at the front desk, please wait here until waved in by staff member"
- If you need or prefer to drop off or pick up via curbside, just call us and a staff member will instruct from there. (248) 685-8836
- We are requesting all clients remove leash and collar at drop off and take them home. A staff member will either use a Club Pet lead or carry your dog back.
- We request you use the provided hand sanitizer upon entering the building.
- We request you wear a mask when entering the building, as long as medically able.
- We encourage you to pay over the phone when possible.

Employees:

- All employees must complete a health screen at the start of their shift.
- All front facing employees must wear a mask.
- Whenever able, employees must maintain 6' of social distancing.
- When unable to social distance, employees must wear masks.
- Frequent hand washing and hand sanitizing is required.

Facilities:

- Surfaces will be regularly sanitized with approved cleaning products, and in between uses.
- The sharing of equipment will be prohibited unless sanitized in between uses.
- Personal items brought into building will be limited to only essentials.
